African Violets

We carry African Violets from June 15 to Thanksgiving.

Miscellaneous

There are small lots of various plants, not enough to list, and several other varieties of boxed annuals in small lots.

House Plants

We carry various house plants and foliige plants from June 15 to Thanksgiving. Because of the different conditions they require, and because we are crowded, we cannot carry them in the spring.

Supplies

- Fertilizers - Hyponex, Blossom Booster for African Violets, and Atlas Fish Emulsion are in stock all the time.
- Potting Soil - we have a variety of potting soils for different purposes, and in different size packages.
- Pots, window boxes, window sill plants - various sizes and types

Memorial Baskets

We have a variety of baskets and pots of flowers for Memorial. We also carry a good line of artificial flowers for use where live flowers cannot be cared for.
